I'm here to help!

Please let me know if I can be of assistance, whether it's **pulling** titles from our collection, **requesting** titles from other Hingham schools, or **purchasing** titles you could use. As much as possible, I try to integrate my lessons with the curriculum. If there is something you would like me to cover in Library Special, just tell me!

It would be a big help...

if returned library books could be sent down the **morning of Library Special**. That way I can have everything checked in before the class arrives.

Nuts and Bolts

- Staff have no checkout limits.
- Staff books are due when you're through.
- **Grades K-1** check out books **weekly**.
- **Grades 2-4** check out books **biweekly** (Week A = Activity, Week B = Books), exceptions made for book reports.
- **Grade 5** during class if time allows.

Open Library

9:00-9:45 Every Morning

Student Holds

Students may place holds on unavailable titles. When they arrive, I'll put the titles (already checked out to the student) in teacher mailboxes.

Do you need...?

- Batteries (AA, AAA, etc.)
- Headphones
- Overhead projectors/carts
- Digital camera/camcorder
- Cassette/CD players

Come see me!

Our Professional Collection

South School Library has a **professional collection** which includes books on **Responsive Classroom**. In addition, teachers may check out **yoga cards**, **professional magazines**, **math literature** (stories and lesson plans), a **K-5 nutrition kit**, **Readers' Theater**, **plays**, and much more!

Please let me know...

- when students are assigned **book reports & projects**. I'll help students find what they're looking for and give the public library a heads-up.
- if there are **books or videos** you need. If we don't have them, I can request from other HPS libraries.

Did you know?

- You can check the **library catalogue** from home and your classroom at <http://library.hinghamschools.com>.
- The library has **audio books**, including Newbery titles.
- Staff can request titles from other HPS schools through **interlibrary loan**.

We're on the Web!

You can access the South School Library collection from any computer:
<http://library.hinghamschools.com>

This will work from school and from home.

Feel free to suggest links to other online resources, both for students and staff!

Log in to request books, see what you have out, create lists, and more.

User name = first initial of first name with entire last name (ex. jsmith)

Password = first four letters of last name (ex. smit)
You can change this password.

Click on "Resource Lists" then "Public Lists" to view Six Traits titles, the Professional Collection, MCBA, Social Thinking, as well as others.

You can search other schools' collections, too.

There is a "Library" link off the South School homepage, or access directly at
<http://southlmc.weebly.com>
(Feel free to offer suggestions!)
